Our goal is to assist and encourage visual artists, both professional and amateur, under the overall auspices of the Tennessee Arts Commission. And to work with other local groups representing the visual, dramatic and literary arts in promoting art appreciation with the objective of making Gibson County a center for the arts in West Tennessee.

The association holds regular meetings of its members to exchange ideas and plan its activities, which will include workshops, seminars, art exhibits, and classes for students of all ages and skill levels. Members may perform community services by conducting programs and classes for senior citizens and residents of nursing homes and residential health care facilities.
